Foreword

We hope this Oak will give you two things: first, a record of happy days; second, a deeper interest in the romance, culture, and economic life of our neighbors on the South. Pan-Americanism, our theme, was prompted by friendship and patriotism and we are anxious that suggestions offered here will aid in the creation of new conceptions of a friendship that will be lasting and bonds of interest which will not permit us to separate.

If, in the years to come, these pages cause a laugh, a sigh, a tear, we hope they will also give an immeasurable pride that this, your Yearbook, played an humble but sincere part in the early development of North, Central, and South American solidarity.

When you discover our errors, we, the staff, beg your indulgence. They resulted not because of enthusiasm and effort but in spite of them.

A Father's love
to a beautiful
lady,
Dag
Shelard

Dedication

This, the thirtieth volume of *The Oak* is dedicated to our teachers of Spanish—Miss Roberta King, Miss Eugenia Newberry, and Miss Virginia Rootes—three “senoritas sympaticas”, whose unfailing interest in us combined with their love and understanding of the traditions and customs of Latin America have kept alive our enthusiasm for the Spanish language and the people who speak it.

May they accept this tribute as a small token of our affection for them and of our gratitude for their ceaseless effort in our behalf.

Hall of Fame

*"For when the One Great Scorer comes
to write against your name,
He marks—not that you won or lost—but how
you played the game."*

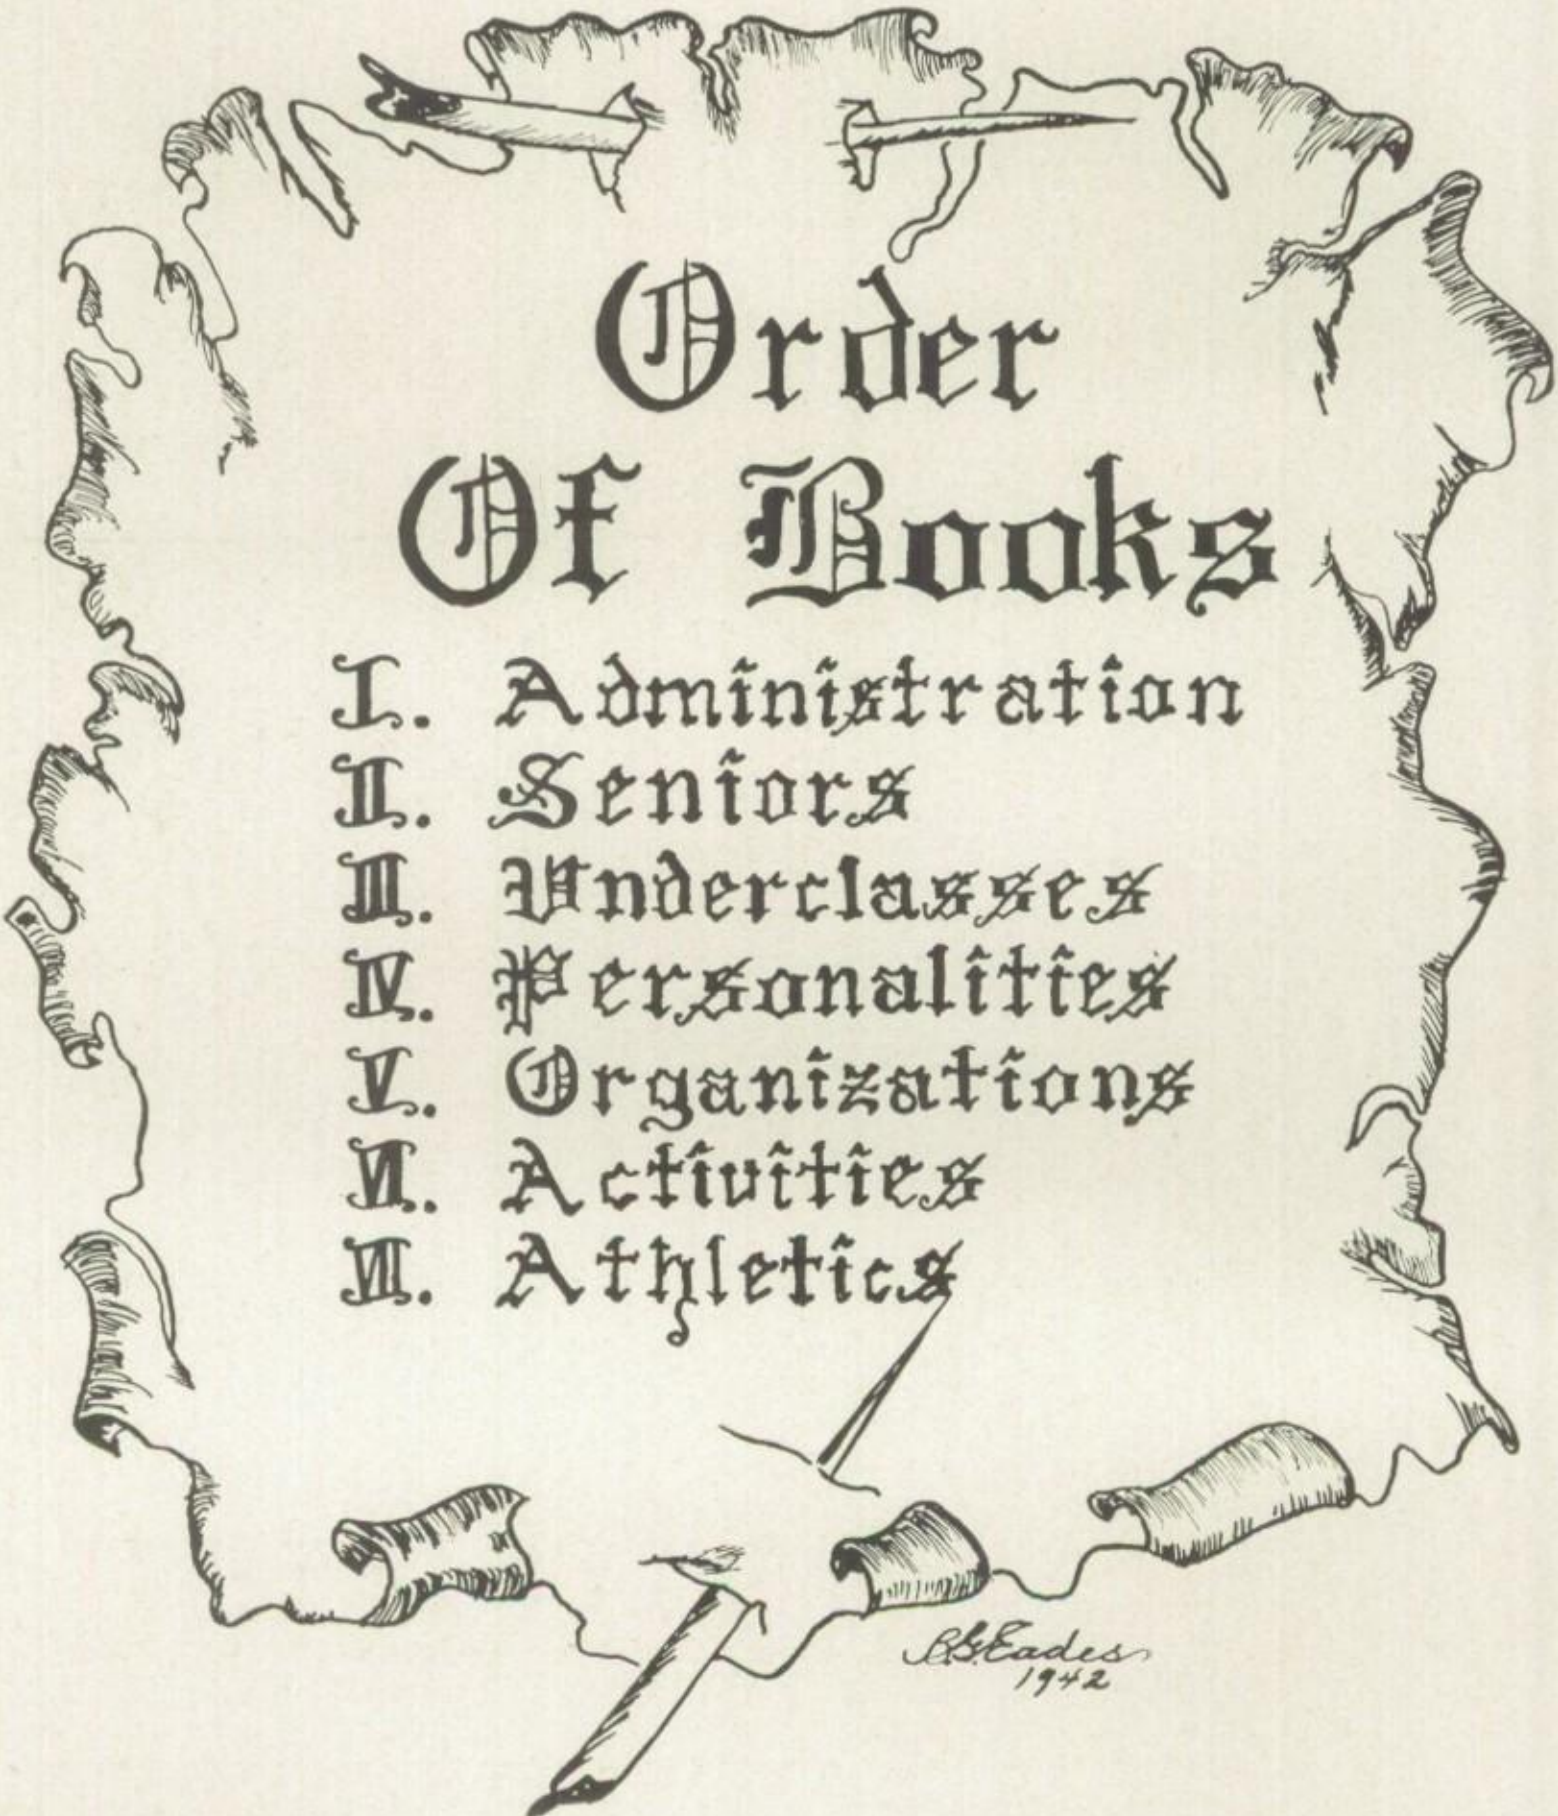

Dear Virginia,
 you are very sweet,
 just stay that way
 in Virginia

Howard A. Allen

Principal

To the Seniors:

The most hopeful situation today, as regards international relationship, in a chaotic world, is the Pan American movement. Led by President Roosevelt's "good neighbor" policy, the countries of the Americas are forging a bond of friendship with each other, which bids fair to distinguish the western hemisphere as the only place on earth where no country is at war with any of its neighbors.

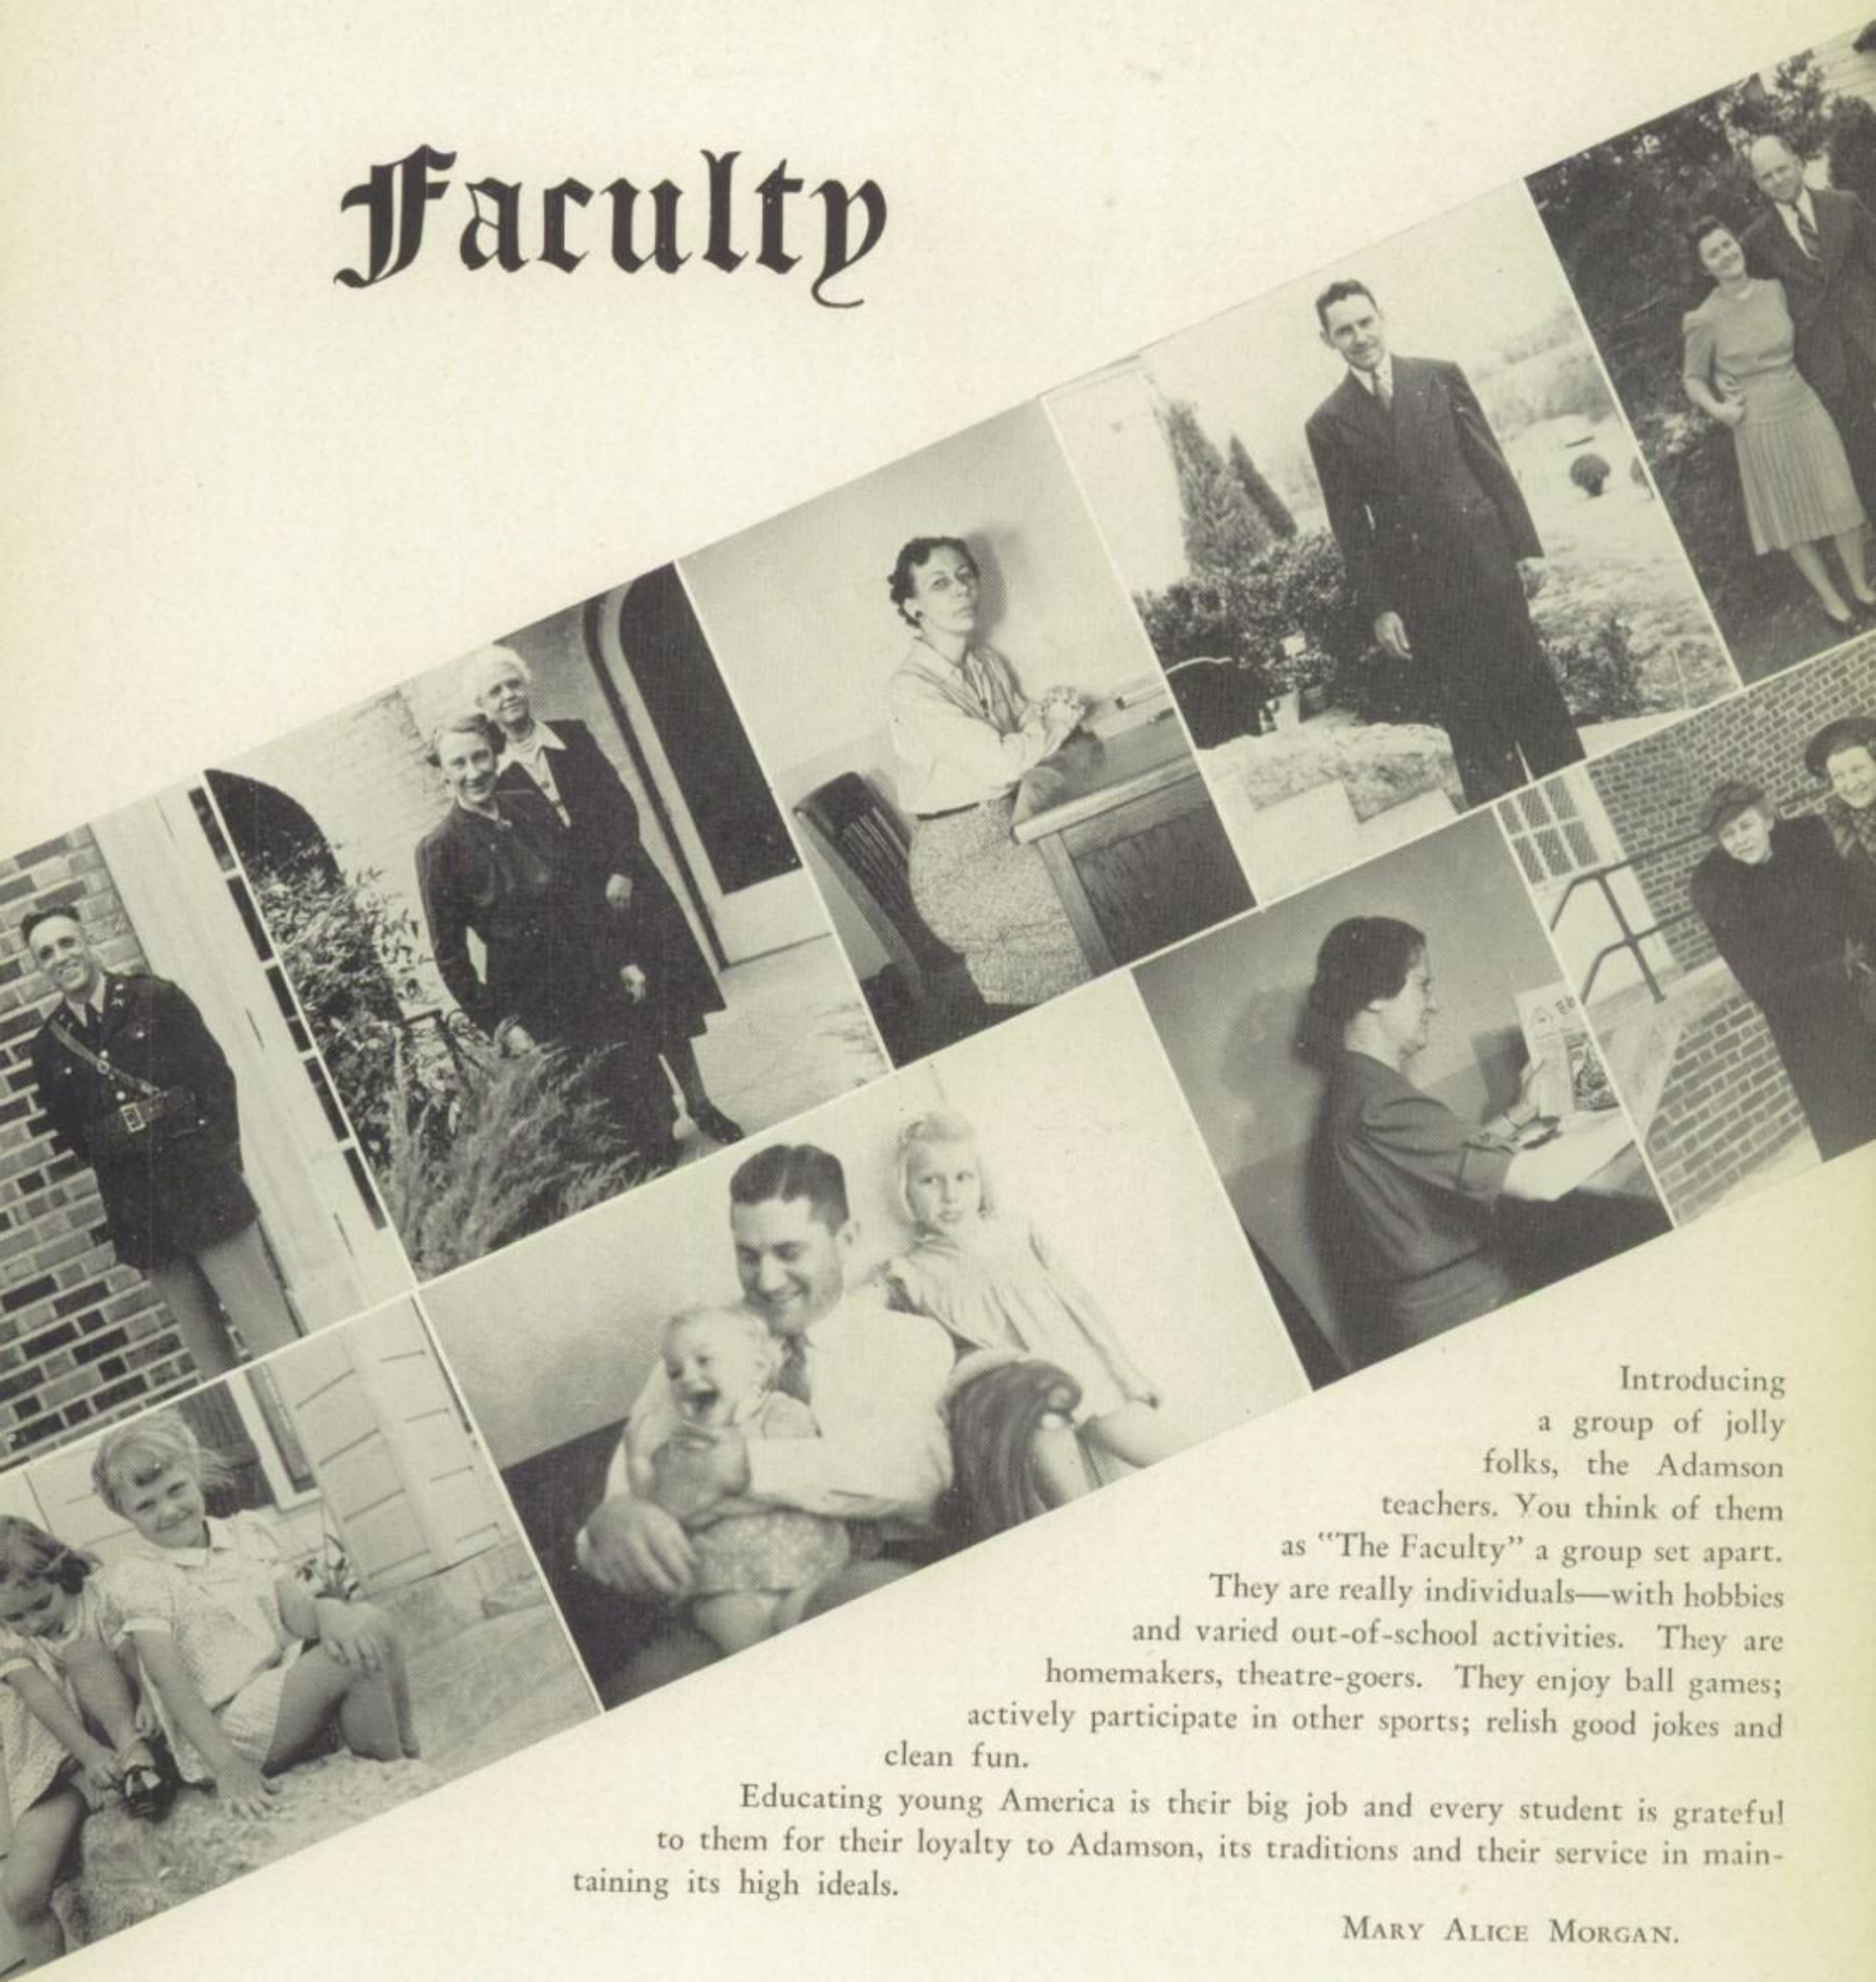

Students of Adamson High School and the other schools throughout these lands have their part to play in this program of sympathetic understanding and friendship among Americans. We trust that this "Oak" with its Pan American theme will aid in carrying out this "All American" policy of brotherhood, peace, and prosperity.

It is our sincere hope that the Seniors of 1942 may very soon be privileged to live and work in a world of Pan American ideals, where clasped hands and not mailed fists control our destinies.

HOWARD A. ALLEN.

Faculty

Introducing
a group of jolly
folks, the Adamson
teachers. You think of them
as "The Faculty" a group set apart.

They are really individuals—with hobbies
and varied out-of-school activities. They are
homemakers, theatre-goers. They enjoy ball games;
actively participate in other sports; relish good jokes and
clean fun.

Educating young America is their big job and every student is grateful
to them for their loyalty to Adamson, its traditions and their service in main-
taining its high ideals.

Pan American Majesty

Majesty, dignity, grandeur supreme,
In truth your whole country seems more like a dream,

A dream of deep valleys and high lofty mountains,
Of beautiful lakes and crystal clear fountains.

Never before was a land so endowed
With wonders before which Inca kings humbly bowed.

Yours is a storehouse of minerals, jewels unclaimed,
There are also dense jungles still to be tamed.

There, the orchid is unrivaled queen of the flowers,
And reigns o'er the tropics in fairy-like bowers.

The unrivaled beauties of nature are there
Symbolic of the heritage it's proud to bear.

A hidden cave in a mountain high
May hold a secret of days gone by,

A time when your Indians, strong and brave,
Their very lives for their homeland gave.

This land of "mañana" has a future in store,
Secured by those who have gone before,

But made more certain by friendly relations
Which now exist between the nations.

Not only now but forever more
To you our southern friends there's an open door.

Your beauty, your grandeur, and treasures rare
Will serve to remind us of friendships we bear.

SUE HUSTON.

To a very pretty
friend of mine
Philip Ridley

"O! thus be it ever, when freemen shall stand
Between their loved homes and the war's desolation!
Blest with victory and peace, may the heaven-rescued land
Praise the power that hath made and preserved us a nation.
Then conquer we must, for our cause it is just,
And this be our motto—"In God is our trust."
And the star-spangled banner in triumph shall wave
O'er the land of the free, and the home of the brave."

WOZENCRAFT DRILL

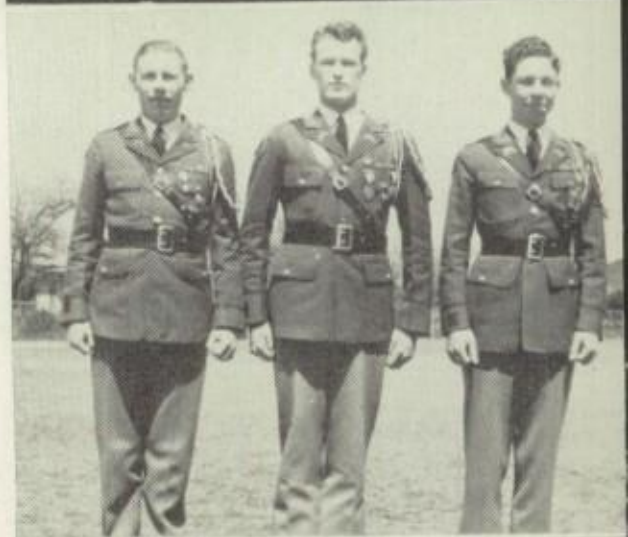

Lieutenant Colonel Cranston Dodd, Major Ernest Schoen, Captain Earl Humphreys, and First Lieutenant Earl Beesley, the four best drilled cadets at Adamson, will compete in the 1942 Wozencraft Drill to be held May 8. The first prize, a one hundred dollar gold watch is presented to the cadet judged best in movements of close order drill in open competition with contestants from all Dallas High Schools and Highland Park. In 1936 and 1937, Major Charles Shackelford won twice in succession for Adamson. This year there is high hope that one of the four men will again bring home a watch. The second and third prizes, also made possible by the philanthropy of the late General P. Wozencraft, are scholarships to Camp Dallas.

ADAMSON WINS AGAIN

This year's rifle team has been the best in Adamson's history. The City Match found the Blue and White eighteen points behind Highland Park, who took first place. During the next few weeks Adamson beat Highland Park in two out of three non-official meetings. In the Corps Area Contest, Adamson fired the highest score ever fired in Dallas, 3442 out of 4000 points. However, they dropped to third in the Shoulder to Shoulder Match, but came back to take first in the competition for the Williams Randolph Hearst Trophy. In these four official matches, Adamson fired the highest aggregate score of all the Dallas High Schools, which gives her for the fourth time, and permanently, the Colonel James H. Hickerson Cup, pictured at the right. Individual honors go to Second Lieutenant George Tucker, who was third high point man in the city and to Captain Carl Gibson, who placed fourth in the Corps Area and third in the Shoulder to Shoulder Match.

CAMP DALLAS VETERANS

Twenty-two of the 1942 graduates of Adamson have attended the R. O. T. C. camp at Mineral Wells sometime during their high school career. Summers that might have otherwise proved very boring are remembered with great glee. Here they are, those twenty-two: three Lieutenant Colonels, Cranston Dodd, Virgil Marco, A. P. Wiley; four Majors, Ernest Schoen, James Wiley, Tommy Bowles, Billy Lucas; five Captains, Charles Moore, Earl Humphreys, Bill Pirts, Tom Ray, Dick Hatcher; four First Lieutenants, Clarence Melugin, Cleo Whitlock, David Dees, James Rockett; three Second Lieutenants, Robert Muchmore, Bob Ramsey, Billy Mays; one Staff Sergeant, M. N. Fain; two Privates, Robert Stevenson, Harry Henrickson.

Latin American Men

You are the founders, the workers; you are the believers,

You founded your country, made your homes;

Plowed the soil, you planted the seed;

You fought ignorance and worshipped your God;

By fighting the evils of men, you have stabilized your country.

By educating your children, you have insured the life of your country.

You, too, are sincere in your love for peace.

By establishing the Christ of the Andes, you have proved your sincerity.

Men of South America—Latin American men,

We, of North America, salute you—

Salute you for the battles you have fought for your country—

We salute you for your earnestness in preserving your country and maintaining your
ideals.

You are the courageous inhabitants of South America,

You are the Latin American men.

March 13—The Jinx Dance—Student Council, again. Wasn't the orchestra good? And the hamburgers on our way home? We double-dated that night.

March 26—Salom Rizk, the Syrian, held us spell-bound and gave "My Country 'tis of Thee" new meaning. The sincerity of the speaker and the attention of the audience was impressive.

March 29—The Rifle Team brought home the bacon! The Hearst Plaque came back to A. H. S.

April 1—Miss Hedde announced cast for June play, "That Crazy Smith Family."

April 3—Student Day—Solemnity, dignity fun. Schoen wore his dad's old uniform. Names of former classmates serving in the armed forces read.

April 8—One-act play "Which is the Way to Boston" given pre-vue in Assembly. Tom, Dorothy, Billie Ann, and Bill were swell. Still wondering how they could have been beaten!

April 18—Juanita Stanley won the Spanish Essay Contest—the fifth consecutive winner for Adamson. Methinks this speaks extremely well for some persons interested in this field of endeavor. However, it might be that Juanita is just an exceptional essayist as well as Betsy Manton, Jeannette Roundtree, Johanna Jones, Helen Spangler.

April 30—The last of the Oak goes to press today. Seniors are thinking of their importance. All senior dates are made and plans for Commencement complete. The Senior Prom will be Friday, May 22, the night of the Senior Day. It's to be formal. Saturday, the 23, Johnny Ellis will have open house for us all. Monday there'll be a Sunrise breakfast and later a Tea Dance, with Beatrice, Barbara, Mary Frances Wilson, Dolores Crockett, Betty Taylor as hostesses. On Tuesday, Seniors will go to Mrs. Baird's Ranch as guests of Mary Lou and Bill Pitts! So on, thru the week—a bowling party, a kid party, a swimming party, an ice-skating party and then Commencement—at McFarlin Auditorium—so Uncle Gus and Aunt Mary, Grandpa and Grandma and all the cousins and my own family can see me graduate.

I've asked to have my whole name printed on my diploma. Think the folks, especially Dad, will like it better than the nickname. Wonder how I'll feel when that Diploma is really in my possession. Looking back now, it has all been fun and I've learned many things. Will forget some of them but never this: "I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one nation indivisible with Liberty and Justice for all."

Texans are proud of Texas. There is something about our size and resources, our origin and struggles, our ambitions and our destiny that stirs the soul and is peculiarly like Pan Americanism and all that it embodies. Our very name "Texas" is Spanish. Our climate is as varied as that of Pan America. Our proximity to many of our Latin American neighbors has resulted in the overlapping of religious, political and social customs and ideals. Many Texans speak the language of our neighbors as well as their own.

The following poem is offered here as evidence that there is an analogy between Texas and Pan Americanism.

Texas

By Betty Claire King

I

Man of the flashing eyes,
Man of the undaunted spirit,
Nature lover, Nature dweller,
Worshipper of the Great Spirit;
Yours is the pride and mystery
Of a great people,
Descendants of Alabamas, Coushattas,
Your courage and tenacity
Have inspired the children
Of your conquerors.
You began an Empire.

II

Man with the big sombrero,
Man of weatherbeaten features,
Cow puncher, sheep raiser.
Texas rancher,
Your cattle graze on all the prairies,
Your sheep cover every hillside,
You are king of our Empire,
You are Texas personified,
With your tall tales of Pecos Bill, Captain
McDonald,
Judge Roy Bean, Big Foot Wallace,
You are a symbol of Texas.

III

Man in dusty overalls,
Man with the plow,
Sower, tiller, reaper,
Son of the Texas soil,
Your cotton has clothed a nation,
Your corn has fed the people,
Your wheat has strengthened children,
You have fought drouth and starvation,
Back of industry you are standing,
You, a dirt farmer, a provider of an Empire.

IV

Man with the pruning shears,
Man with a wicker basket,
Fruit grower, fruit picker,
Valley man,
Your orchards stretch beside the Rio Grande,
Your oranges, grapefruit, lemons,
Are treasures of the Valley.
Your work is good.
It has put roses in children's cheeks.
You have helped to build an Empire.

V

Man with the long saw,
Man with the swinging axe,
Wood cutter, home provider,
Texas lumberman,
Yours are the forest of East Texas;
Tall, straight, strong pine trees,
Lumber for the homes of Texans,
Wood pulp for newspapers,
Wood cutter, home provider,
You are part of an Empire.

VI

Man with the greasy clothes,
Man with the strong arms,
Oil seeker, oil driller,
Master of black gold,
You have built a city of towers,
Derricks that point to the sky,
Pumps that sing a song of Texas,
Amarillo, Kilgore, Burkburnett,
Oil seeker, oil driller,
You are part of an Empire.

VII

Man with the strong net,
Man of the little boat,
Gulf sailor, gulf fisher,
Man of the coast,
Yours are the fish,
The shrimp, the oysters,
Yours are the ships
That carry the wool, the beef,
The cotton, the wheat, the oil,
You are part of an Empire.

VIII

Man in the smart grey suit,
Man with the cosmopolitan air,
City dweller, money maker,
Texas business man,
You have built cities,
Dallas, Houston, Austin,
San Antonio, Fort Worth,
The factories belong to you,
Trucks on highways,
Buildings, ships, and bridges,
You have financed an Empire.

IX

Man with the smiling face,
Man with the twinkling eyes,
Fair planner, fair goer,
Fun maker,
You have educated, entertained,
The State Fair of Texas,
All the county Fairs,
Rose Festival, Battle of Flowers,
Fat Stock Show, Pioneer Days,
You have glorified an Empire.

X

Man of lofty spirit,
Man of great heritages,
Worker, helper, creator,
Texan,
Your Thermopylae, the Alamo,
San Jacinto, Goliad, your hallowed shrines,
The world knows you,
Your strong hands build, not destroy,
Your Lone Star is brightest of all,
You are the Empire of Texas.

SAY IT WITH PICTURES

MODERN layout and typography are daily changing. Look through the magazines and see the many illustrations and quantity of color; see the spot here and the curved line there. Why this departure from the old system? Because it has been found that the first impression must be pleasing to the eye.

We are continually seeking better ways to serve our patrons, means of improving quality and possibilities of readjusting prices to the benefit of our

esteemed patronage.... This constructive thinking along lines of betterment where possible; the determination to see that the customer gets value received; also by adhering strictly to the business we understand, have played an important part in our progress.

Acknowledgements

The Oak Staff welcomes this opportunity to thank those who have aided in the publication of this yearbook.

Especially do we appreciate the continuous, sympathetic understanding of Mr. Allen. To Miss Graves, for her unfailing and cheerful co-operation we say, "Thank you". To all faculty members who have given suggestions and helpful criticism, we offer "mil gracias". To Colonel Clement and the Corps for their efficient supervision of the picture making, we also give thanks. To Mrs. Mabel Smith, artist, for assuming the responsibility of the art work, we are particularly grateful. To the students not on the staff who have been enthusiastic helpers, we extend our heartiest wishes that you, in turn, will receive the same encouragement and assistance when you publish the succeeding Oaks. We hope that Messrs. Crenshaw, Bennett, Wilkinson and Denison's Studio will accept our gratitude for their friendly and valuable guidance.

To you, we owe a tremendous debt. Because of you, our task has been a happy one.

Sincerely,

THE STAFF.
